

Host is always on top
of the hierarchy

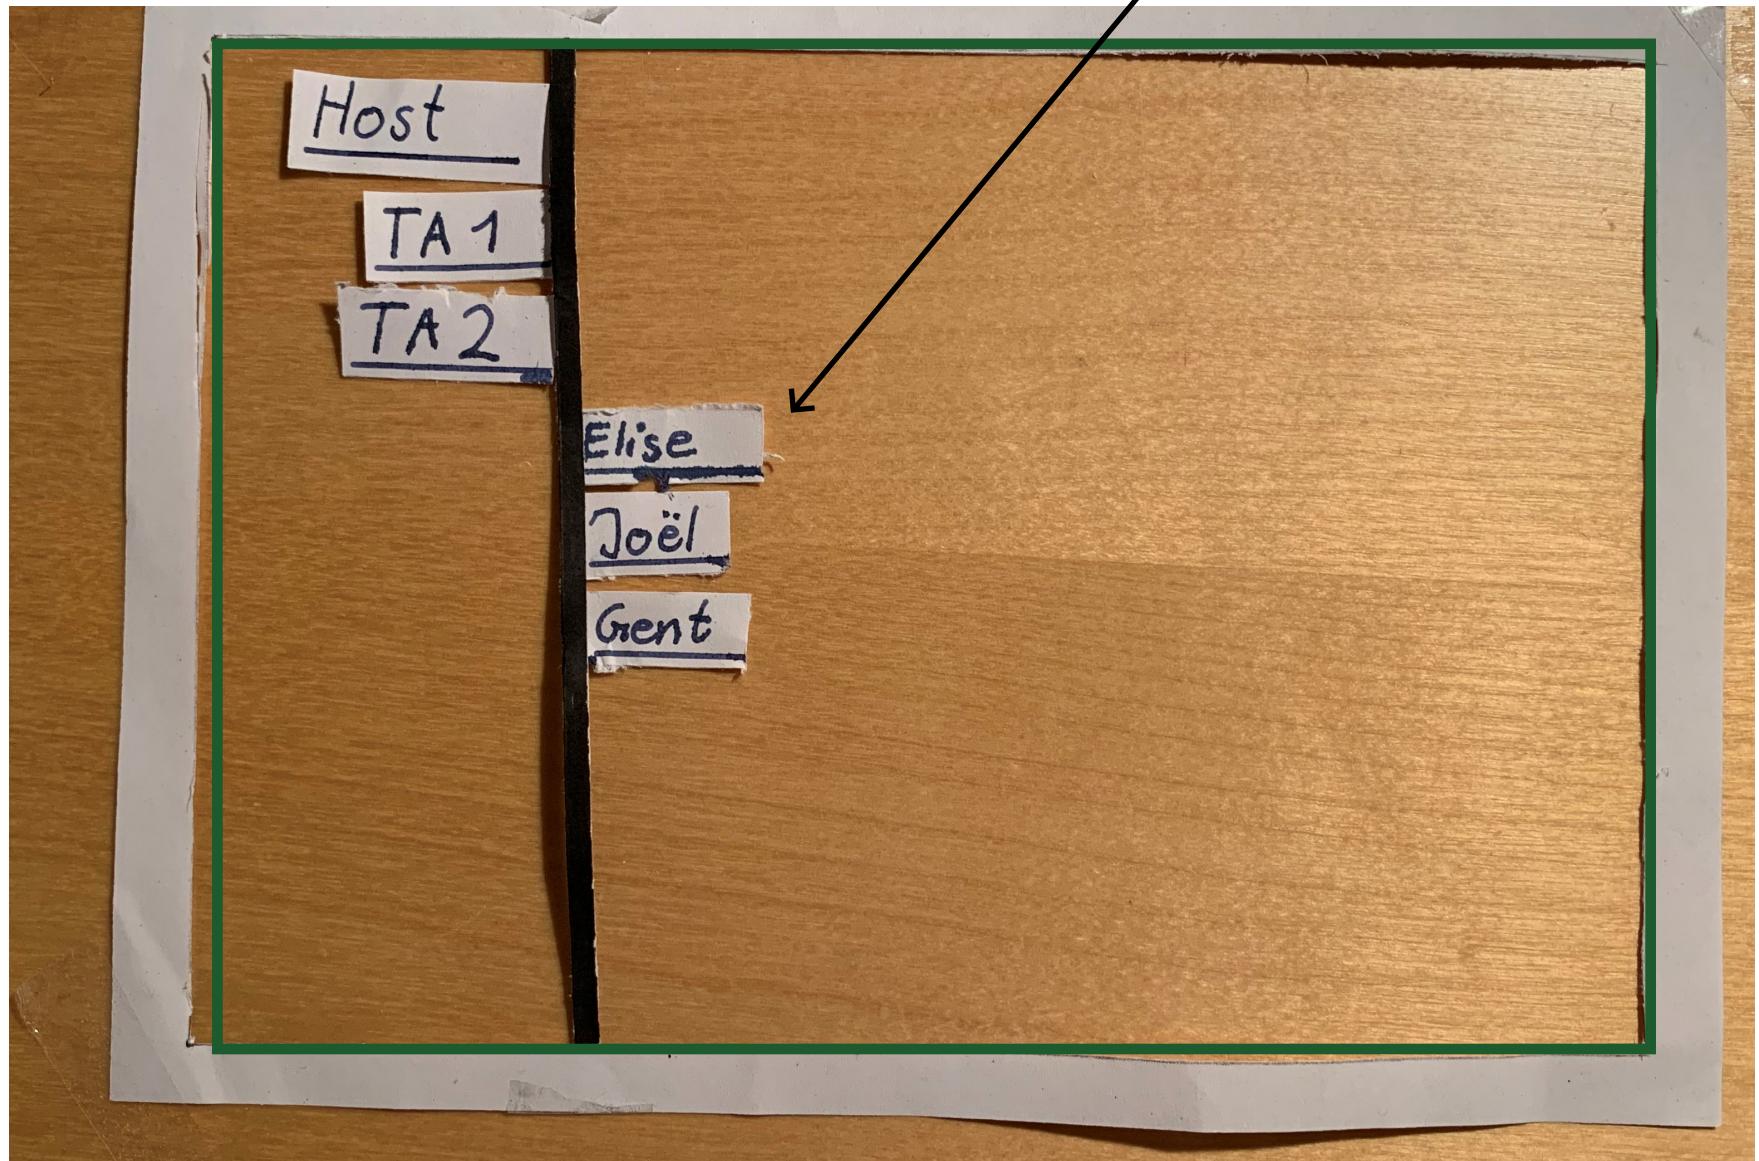

Screen Viewport

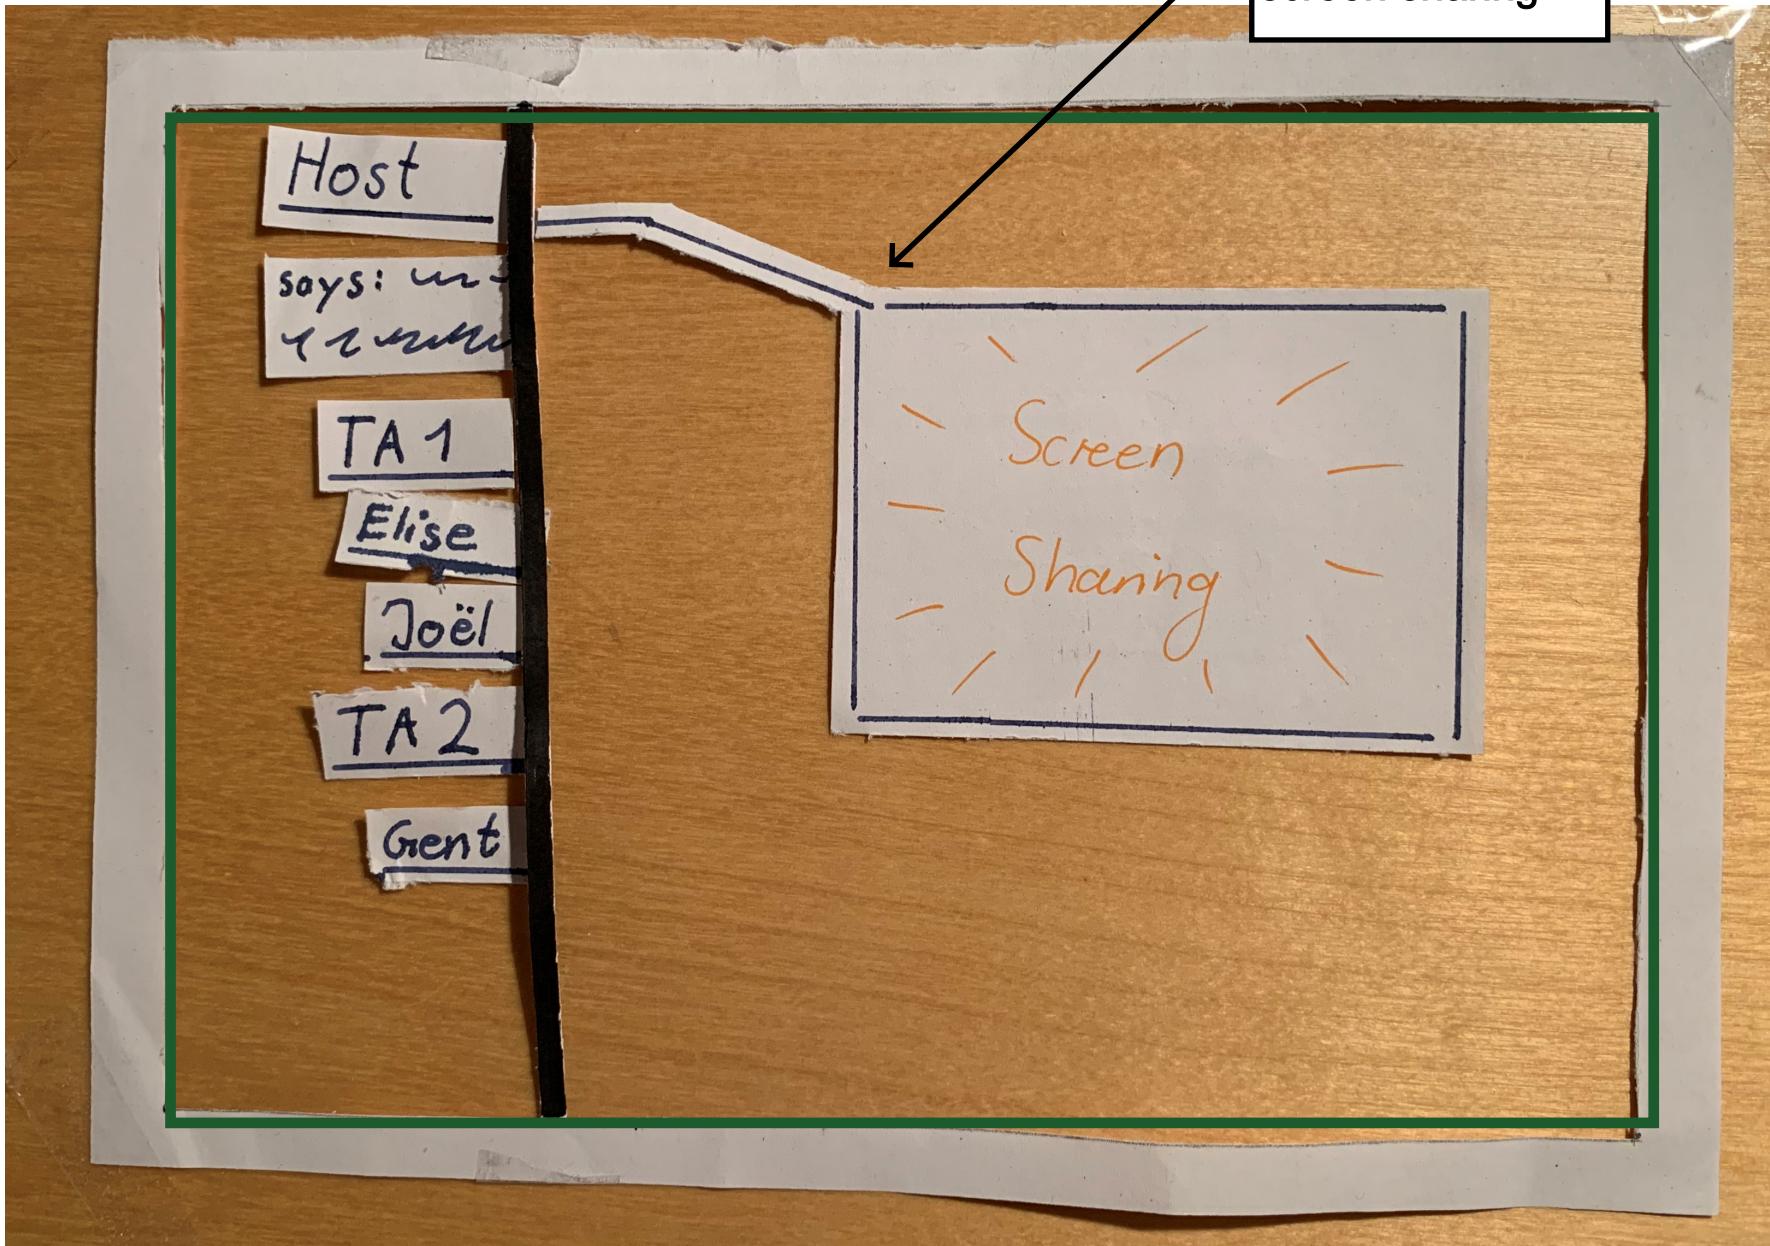

Two TA's joined
the session with
higher priority

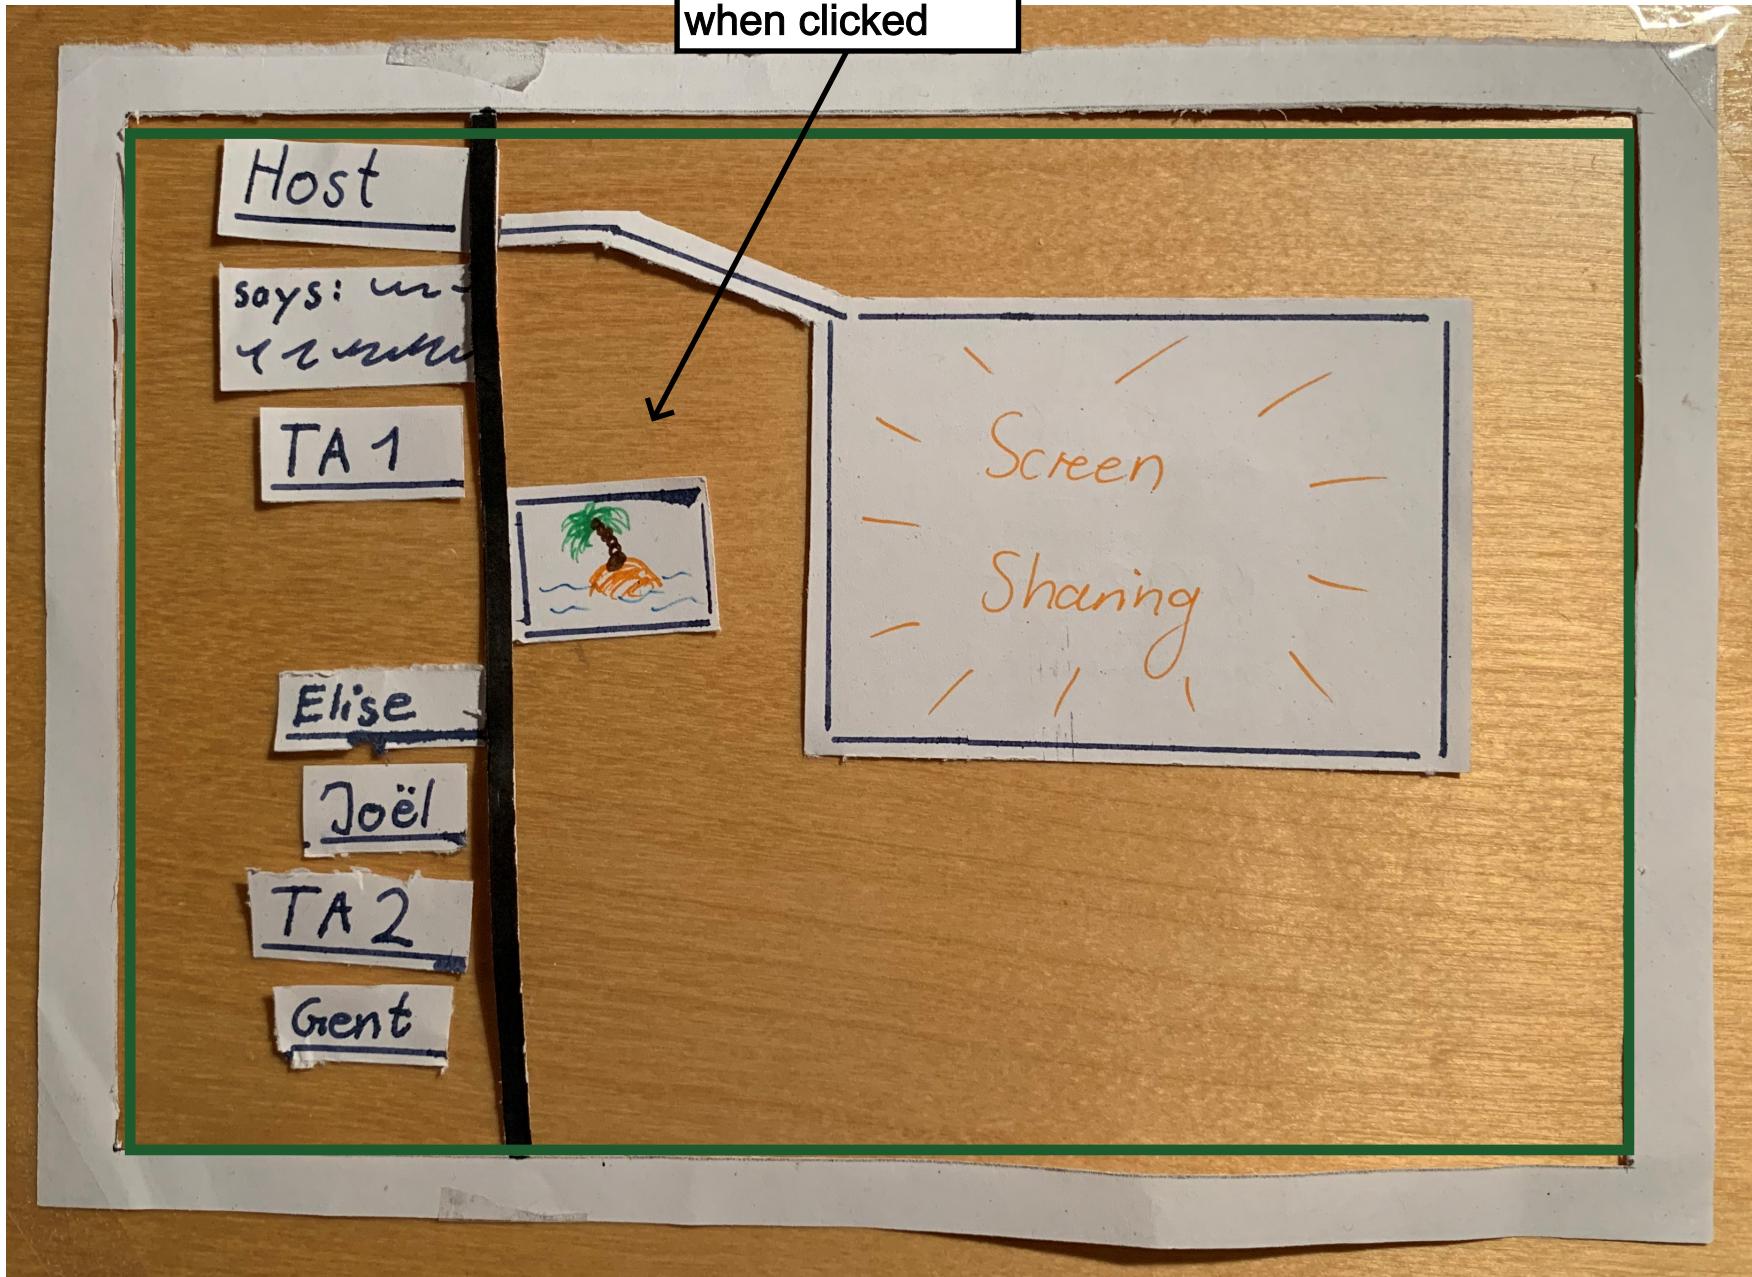

Three students joined and
get assigned to the TA's

Host starts screen sharing

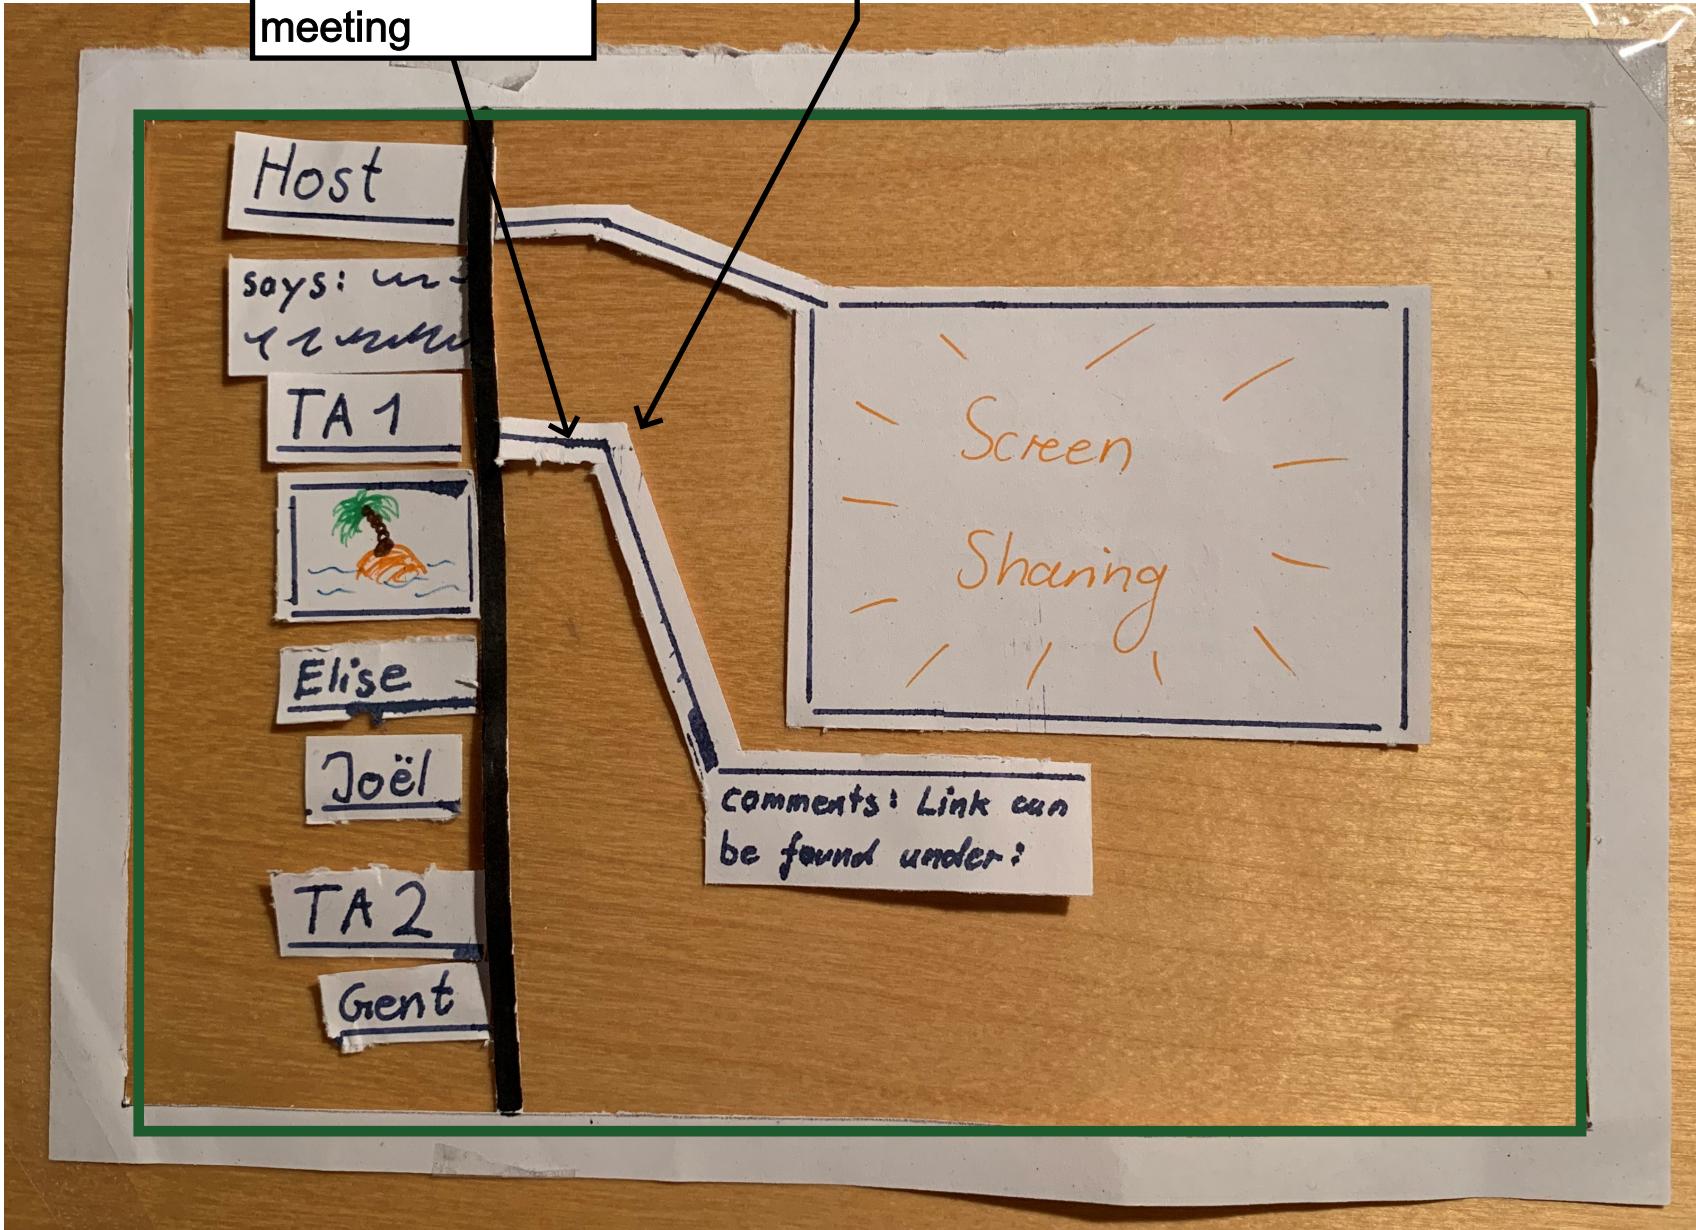

One TA shares
an image, which
can be enlarged
when clicked

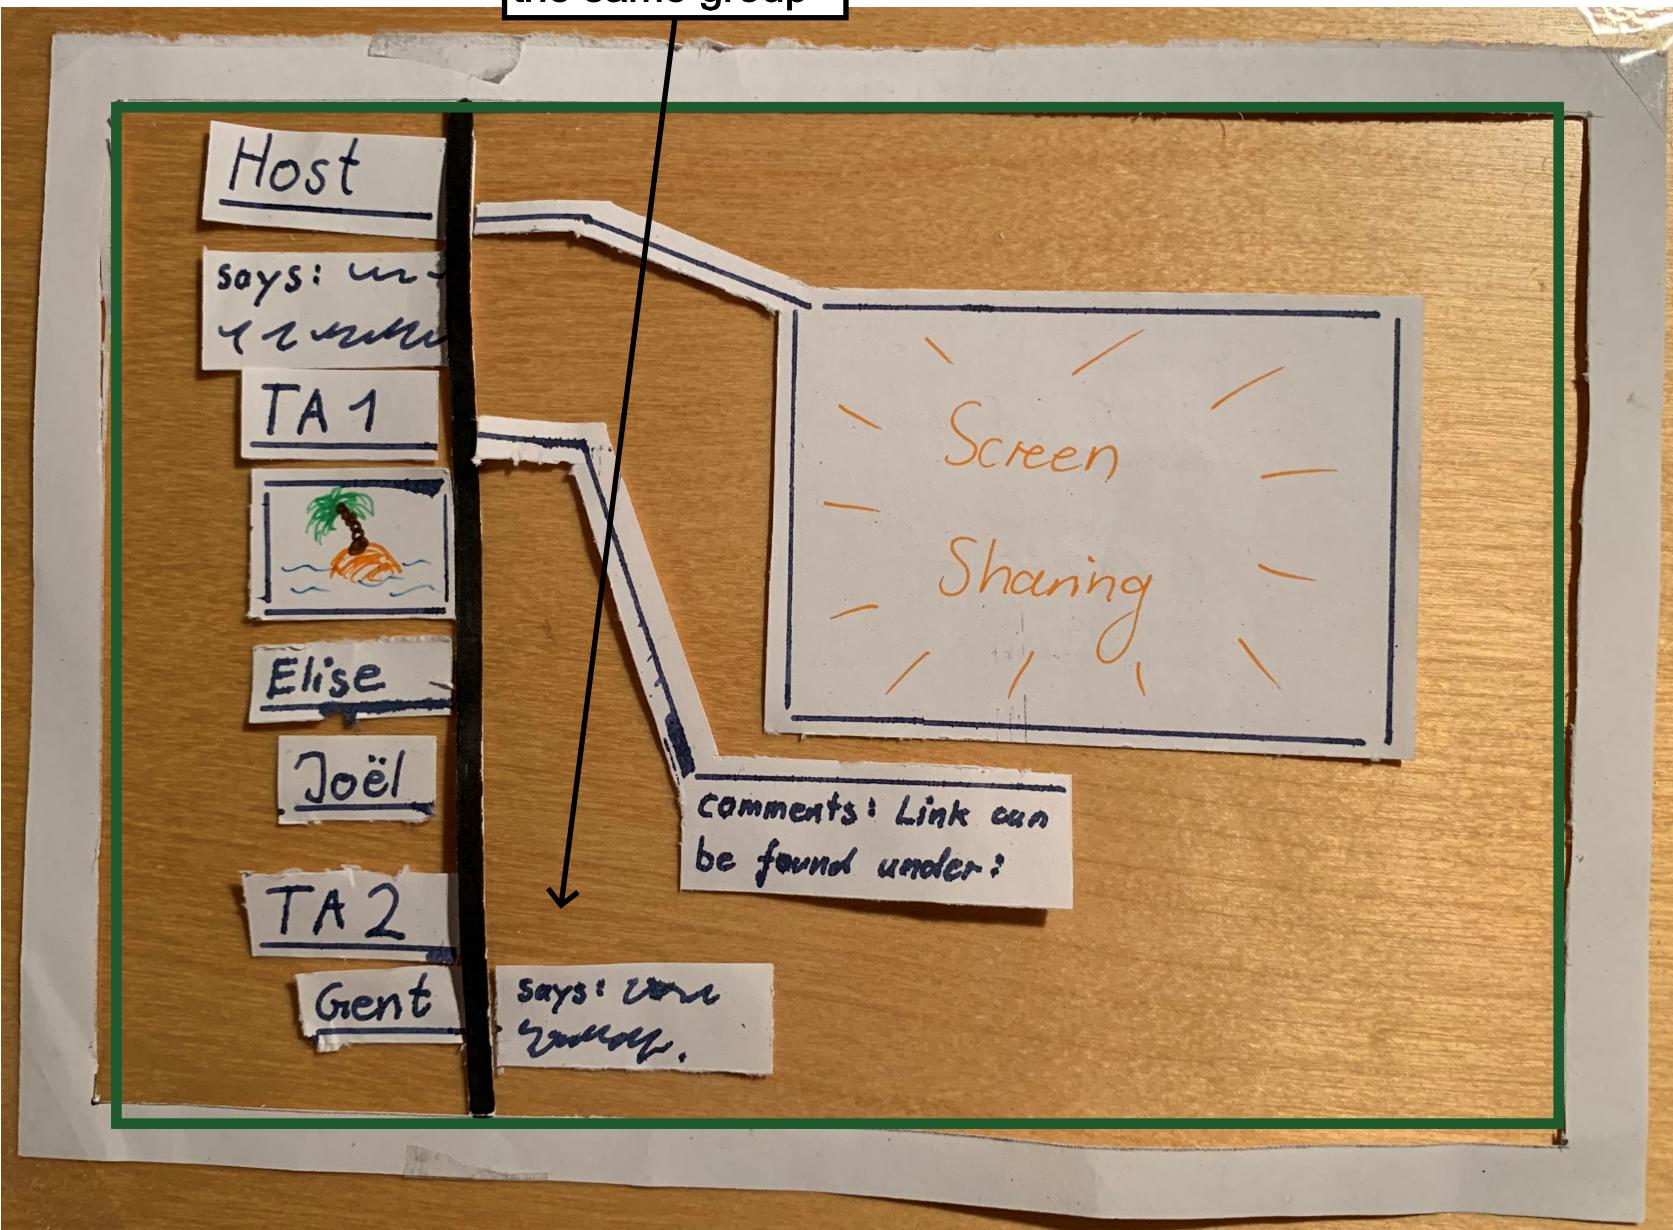

Link could be shared to the group (e.g Elise and Joel) or to the whole meeting

Same TA shares a link to the meeting

Message is only
seen by TA2 and
other member in
the same group

Gent raises a hand, which is seen by everyone in the session
